Inventor(s): Norman Ken Ouchi
Attorney Docket No. Solectron 713

Dear Examiner:

This application was filed with a petition for filing by other than inventor under 35 USC 118 as a 37 CFR 1.47 application. Dr. Norman Ken Ouchi has since decided to join in the application by signing his executed declaration. I have enclosed the executed declaration and power of attorney to be placed in the application file, a \$130 check for the declaration surcharge, and the PTO return receipt postcard.

Please call me if you have questions or comments regarding this matter.
